Good Morning,

We are having our yearly Property Tax Foreclosure Show Cause Hearing this Friday. We are strongly encouraging residents to contact the office via phone or email instead of coming in to the office. Here is some information below to share if you see fit.

If you have any questions please don't hesitate to reach out. Thanks, Tim

**1. County Treasurer Show Cause Hearing is
January 7th, 2021 at 8:30am in the County Treasurer's Office in the
Saginaw County Governmental Administration Building
111 S. Michigan Ave, Old Town Saginaw**

People may appear in person, through an agent, in writing, email at treasurer@saginawcounty.com or may call the office at 989-790-5225. Please contact us by January 31, 2022.

Due to Covid-19 we are strongly encouraging folks to call or email and talk to one of the staff in the County Treasurer office. We feel it is more safe for staff and the public if we limit the amount of "in person" traffic in our office.

We believe we can sufficiently help counsel taxpayers and answer any questions via phone or email.

This hearing is for people that owe 2019 property taxes and/or prior years.
