Certificate of Recognition Charlene Coleman

Friend of the Court Account Specialist III

Charlene Coleman began her employment with Saginaw County on July 12, 1999 in District Court as a Clerk/Cashier. Ten months later, on May 22, 2000 she accepted the Account Specialist I/II position in the Friend of the Court Payment Department. For 18 ½ years she worked in the Payment Department as an Adjuster, Cashier, and receipting payments. On September 26, 2018 Charlene was promoted to Account Specialist III and filled that role for 7 years. She officially retires from Saginaw County employment on January 2, 2026.

FOC Mission: To provide efficient services in a timely manner to the residents of Saginaw County that include effective enforcement services for custody, parenting time and support orders, assistance to the State Disbursement Unit in collecting and recording support payments, mediation services to settle disputes, and assistance to the Court in conducting investigations regarding custody, parenting time and child support as needed or requested.

Charlene left an impression during her time here. Over the years, she has walked many miles throughout the County Courthouse and grounds, greeting the numerous people she encountered during her travels. Prior to eight o'clock in the morning, and during her breaks and lunch hours she could be seen walking through the halls knitting socks and other items. Her Friend of the Court family and many other county employees will affectionately remember her as the, "Walking Knitter."

The Saginaw County Board of Commissioners congratulates Charlene Coleman on her retirement after 26 ½ years and is grateful for her hard work and dedication to Saginaw County, and especially for her commitment to the Saginaw County families she has assisted throughout the years.

Respectfully Submitted,

The Life and Legacy of Marshall Othella Thomas

A Reverent Tribute to "Coach T"

Early Life: Roots and Beginnings

Marshall Othella Thomas, affectionately known as "Coach T," was born on August 29, 1947, in Saginaw, Michigan, to Pearlie and Cora Nell (Blackburn) Thomas. He married Yvonne D. Tijndaal on August 18, 1973, in Saginaw, Michigan and was a devoted husband, father, grandfather, great-grandfather, brother, uncle, great-uncle, mentor, and friend - a pillar of strength, faith, and love within his family and community. On Monday, November 17, 2025, at the age of 78, after a lengthy illness and surrounded by loved ones, our beloved Coach T peacefully entered the arms of the Lord.

Coaching, Career and Service

Upon returning home to Saginaw, Marshall began a remarkable coaching and teaching career that spanned 33 years. He coached football, track, golf, cross country, and basketball at his beloved alma mater, ultimately becoming best known as the boys' varsity basketball coach. He spent three years coaching the girls' varsity team, compiling a 53–13 record, and 22 years coaching the boys' varsity team, amassing an exceptional 381–133 record. Under his leadership, the Trojans won the 1995–1996 Michigan Boys Class A State Championship.

On the court, he led with discipline, strategy, and heart, shaping young athletes not only in skill but also in character. Off the court, he served the Saginaw community with the same dedication. He earned seven regional Coach of the Year awards and four Class A Coach of the Year honors. Marshall also served as Saginaw High's athletic director and later worked with the Michigan High School Athletic Association as a color commentator during the boys' basketball state championship games.

After retiring from Saginaw Public Schools in 2009 as an administrator, Marshall continued to pour into young people as a substitute teacher within the district and as a devoted math tutor, known throughout the community for his patience, generosity, and commitment to education.

Saginaw High School

Education and Passion for Sports

Marshall was educated in the Saginaw Public Schools, attending Morley and Houghton Elementary Schools, Arthur Eddy Junior High, and graduating from Saginaw High School, Class of 1966. While at Saginaw High, he excelled in athletics, participating in football, basketball, and track and field. He continued his education at Western New Mexico University (WNMU) from 1966 to 1972, earning both his bachelor's and master's degrees. During his collegiate years, he played two years of basketball and two years of football, leading the nation in punt returns at the NAIA level in 1967. He also competed in track for four years, earning MVP honors as a junior.

Faith & Family

To some, he was Marshall; to many, he was Coach T or Deacon Thomas, but to Yvonne, his loving wife of 52 years, he was her husband; he was her soul mate and her protector; he was a steadfast partner, leading with a consistent quiet strength. He was dependable and devoted, always ensuring their home was filled with love and stability.

As a father, he showed up for everything, big or small. He never missed a moment to teach, guide, or encourage. He led by example, teaching his daughters the lessons that truly matter: integrity, service, and the power of showing up. He exemplified to his children how to carry themselves in the world, to love their community, and to never stop giving.

As a grandfather, he went above and beyond. He would rearrange his days, offer to help before being asked, and do whatever it took to ensure his grandchildren and great-grandchildren had every opportunity to succeed.

Marshall was a faithful member of Holy Communion Gospel Center, where he served as an ordained deacon. He taught bible study and was deeply committed to the jail ministry, serving those incarcerated with compassion, humility, and an unwavering faith.

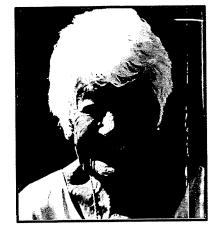

A passionate golfer, he spent many summers on the course. He achieved the remarkable milestone of four holes-in-one and treasured the camaraderie, laughter, and memories formed with friends on and off the green.

Stephens "Dot" Young

October 2, 1925

Millicent Mary Elizabeth Stephens Young — known affectionately as Dot — was born October 2, 1925 and recently celebrated her $100^{\rm th}$ birthday surrounded by family and friends. She grew up in Oxford, Michigan as one of six children. After graduating from Oxford High School in 1944, Dot reunited with and married the love of her life — Robert (Bob) Young on September 11, 1948 when he returned from serving in the United States Army Air Corps during World War II. As Bob pursued his education at Central Michigan University, they moved to Mt. Pleasant and that's where the family started to grow. Over the years, they lived in New Baltimore, Mt. Clemens, Peck, and finally to Freeland, MI in 1962 when Bob became the Superintendent of Freeland Schools. Dot and Bob raised their four boys in Freeland. Although Dot moved to Saginaw Township in 2014, she still does business in Freeland and visits family.

Dot focused on raising her very active boys until 1966 when she joined Saginaw Osteopathic Hospital as a medical transcriptionist and union representative. She also served her community by teaching at Sunday School, and volunteering for the United Way annual campaign. Even after reaching 100 years young, she is more active than people half her age. She still has a love of travel and adventure and even completed the Mackinac Bridge Walk in 2024 and 2025.

The Saginaw County Board of Commissioners does hereby extend this Certificate of Recognition to Dot Young. We congratulate Dot on her 100th birthday and extend our warmest wishes to her and her family.

Your committee met and considered Communication No. 12-16-4 from Koren Thurston, Finance Director, submitting the Saginaw County 2024 Cost Allocation Plan and the 2026 IT Rate Calculation for the Fiscal Year 2026 Budget.

We met with Mary Catherine Hannah, County Administrator, who reviewed the 2024 Cost Allocation Plan which is used to allocate indirect costs, and the 2026 IT Rate Calculation, which is based on budgeted expenditures for the fiscal year ending September 30, 2026 and used to allocate IT services for the 2026 Budget cycle and requesting approval of the necessary budget adjustments.

Incorporated within this budget amendment is the County's General Fund Maintenance of Effort (MoE) contribution to the Health Department in the amount of \$1,262,305 (which is the base amount) plus the Cost Allocation Plan (indirect cost) amount of \$556,651 for a total contribution of \$1,818,956 to the Health Department. This is a decrease of \$172,606 from the current budgeted amount of \$1,991,562.

We recommend approval of the Saginaw County 2024 Cost Allocation Plan, the 2026 IT Rate Calculation along with the necessary budget adjustments, and the General Fund Maintenance of Effort contribution of \$1,818,956 to the Health Department. Further, we authorize the proper county officials to make the necessary budget adjustments.

The Budget/Audit Committee met and considered Communication No. 12-16-5 from Christina Harrington, Health Officer, on behalf of the Saginaw County Opioid Advisory Committee, requesting to enter into contractual agreement with Saginaw Gateway to Recovery to disperse up to \$500,000 from the county's opioid settlement fund.

Christina Harrington communicated to the committee that the Opioid Advisory Committee received one application for funding in the third quarter. The initiative, Saginaw Gateway to Recovery, is a newly licensed 501(c)(3) residential treatment facility soon to open in downtown Saginaw. The program provides evidence-based, comprehensive care for individuals with substance use disorders, including medication-assisted treatment, counseling, and recovery support. It is expected to operate a 55 to 60 bed residential treatment program serving 120 individuals annually. Funding will be used for staffing, meals, and transportation.

We recommend approval to enter into contractual agreement with Saginaw Gateway to Recovery to disperse up to \$500,000 from the county's opioid settlement fund and authorize the proper county officials to adjust the budget accordingly.

The Budget/Audit Committee met and considered Communication No. 12-16-6 from Christina Harrington, Health Officer, requesting approval to sell the Saginaw County Health Department's mobile RV to the Saginaw County Community Food Club & Kitchen for \$25,000.

Christina Harrington communicated to the committee that, despite the investment of \$250,000 using emergency COVID-19 funding for mobile service delivery, the RV has never been able to function as intended. It does not meet the operational, structural, or regulatory requirements needed for mobile health services. Since its acquisition, the Health Department has encountered the following unresolvable barriers:

- Inability to meet clinical standards
- Driver constraints
- Security and maintenance issues
- Lack of viable deployment sites

This is a highly valuable community partnership opportunity. Since 2024, the Health Department has been working closely with the Saginaw County Community Food Club & Kitchen – scheduled to open in 2026 – on expanding nutrition education across the county. The Food Club has secured MDHHS funding specifically designated to renovate the RV into a mobile educational kitchen. This use aligns strongly with the county's public health priorities and gives the RV a renewed purpose that directly benefits residents.

We recommend approval to sell the Health Department's mobile RV to the Saginaw County Community Food Club & Kitchen for \$25,000 and authorize the proper county officials to adjust the budget accordingly.

Your committee met and considered Communication No. 12-16-7 from Mary Catherine Hannah, County Administrator, submitting the proposed FY 2027 Budget Calendar for approval and implementation.

We met with Ms. Hannah who communicated that she is bringing this forward early as the Budget Calendar is significantly amended from previous years. Changes to the Budget Calendar reflect better timing for the Finance Department and give Elected Officials and Department Heads more and better current year data when creating their next budget. The Budget Calendar also aids departments, elected officials and agencies when meeting with the Administrator's Office to review their budgetary requests for operating and capital budgets and to know when tasks related to building the budget must be completed.

It is the recommendation of your committee to approve and implement the attached FY 2027 Budget Calendar as submitted.
