Due Date: May 31, 2022

2022 Personal Property Summary Report (PPSR)

For 2022 Millage Rate and Personal Property Tax (PPT) Reimbursement Calculations

All submissions must be in Excel format.

The 2022 PPSR is to be used by the county for reporting personal property taxable values for each municipality in the county.

Most debt millage calculations cannot be completed for the July property tax billing until the municiplity is provided with the calculations required by this workbook.

INSTRUCTIONS FOR PP VALUES WORKSHEET

For each of the worksheets listed below, complete the following tasks:

Worksheet 1: *PP Values - Co|Twp|City|Vlg*
Worksheet 2: *PP Values - SD | ISD | CC*
Worksheet 3: *PP Values - Addl Authorities*
Supplemental Worksheet: *PP Values - Partial Millage*

Partial Millage
Report the taxable values subject to a partial millage on the *PP Values - Partial Millage* worksheet.

For Counties, Townships, Cities, Villages, Community Colleges, and Local Authorities:
A partial millage applies when a millage is not levied on all parcels in a municipality. **Only report the taxable values subject to the applicable millage levy.**
Example: If a township levies a road millage on all parcels in the township except for parcels that are also in a village, the road millage is considered a partial millage.

For School Districts:
A partial millage applies when a debt millage is not levied on all parcels in a school district. **Only report the taxable values subject a debt levy approved by the electors, or incurred, prior to the annexation, dissolution, or consolidation of a neighboring school district.**
Example: If a school district has absorbed a neighboring school district that has been annexed, dissolved, or consolidated, and is restricted from levying debt millage on the parcels of the neighboring school district, the debt millage is considered a partial millage.

For ISDs:
A partial millage applies when a vocational education millage is not levied on all member school districts. **Only report the taxable values subject to a vocational education millage.**

1) **Review Pre-Populated Municipalities**

If a municipality has been omitted from the PPSR, please contact the Michigan Department of Treasury (Treasury) so that a revised copy of the PPSR can be provided for completion. (See contact information at end of instructions.)

2) **Review Pre-Populated 2013, 2014, and 2015 Personal Property Taxable Values***

The 2013, 2014, and 2015 personal property taxable values should be the taxable values as of June 20, 2015, unless the taxable values have been modified due to a municipality boundary change or a property reclassification.

The LCSA Act, as amended, requires the 2013, 2014, and 2015 taxable values to be modified due to a municipality boundary change or a property reclassification.

Modification of 2013, 2014, and 2015 Personal Property Taxable Values due to a Boundary Change
For property that was assessed in 2013, 2014, or 2015 in a municipality other than the one in which it is assessed in 2022, complete the following:

(i) modify the pre-populated 2013, 2014, and/or 2015 taxable values accordingly, and

(ii) record the modifications of the affected municipalities in the "PERSONAL PROPERTY BOUNDARY CHANGE" columns as a positive number, and

(iii) complete Form 5658 and submit to Treasury no later than March 31, 2023. (See Form 5658 Information below.)

Modification of 2013, 2014, and 2015 Personal Property Taxable Values due to Reclassification
For property that was classified in 2013, 2014, or 2015 as commercial personal or industrial personal, but in 2022 is classified as real or utility personal, complete the following:

(i) modify the pre-populated 2013, 2014, and/or 2015 taxable values by excluding the property's 2013, 2014, and/or 2015 taxable values from the totals, and

(ii) record the modifications of the affected municipalities in the "PERSONAL PROPERTY RECLASSIFICATION" columns as a positive number, and

(iii) complete Form 5658 and submit to Treasury no later than March 31, 2023. (See Form 5658 Information below.)

Note: The taxable values reported in the "PERSONAL PROPERTY BOUNDARY CHANGE" or "PERSONAL PROPERTY RECLASSIFICATION" columns should only account for year-over-year modifications.

Form 5658 Information:

To be included in the PPT reimbursement calculations, modifications to the 2013, 2014, and 2015 personal property taxable values must be reported to Treasury on Form 5658 - *Modification of the 2013, 2014, and 2015 Personal Property Taxable Values Used for the 2022 Personal Property Tax Reimbursement Calculations* no later than **March 31, 2023**.

To guarantee inclusion of the taxable value modifications in the calculation of the PPT reimbursements to be distributed in October 2022 and February 2023, Treasury must receive Form 5658 by June 7, 2022.

If Treasury receives Form 5658 between June 7, 2022, and March 31, 2023, and the taxable value modifications are not included in the calculation of the PPT reimbursements distributed in October 2022 and February 2023, then they will be included in the calculation of the PPT reimbursements distributed in May 2023.

3) Report 2022 Personal Property Taxable Values*

The 2022 personal property taxable values should be the taxable values **as of May 10, 2022,** unless the taxable values have been modified due to a property reclassification.

The LCSA Act, as amended, requires the 2022 taxable values to be modified due to a property reclassification.

Note: The county's 2022 taxable values are calculated automatically by summing the 2022 taxable values reported for the townships and cities. And each ISD's 2022 taxable values are calculated automatically by summing the 2022 taxable values reported for each member school district. If the calculated 2022 taxable values appear to be incorrect, please contact Treasury for assistance.

Modification of 2022 Personal Property Taxable Value due to Reclassification
For property that was classified in 2013, 2014, or 2015 as real or utility personal, but in 2022 is classified as commercial personal or industrial personal, complete the following:

(i) modify the 2022 taxable values by excluding the property's 2022 taxable values from the totals, and

(ii) record the modifications of the affected municipalities in the "2022 PERSONAL PROPERTY RECLASSIFICATION" column as a positive number.

***For inter-county municipalities** (municipalities that exist in multiple counties), only report the municipalities' taxable values within the county. The county responsible for calculating the millage reduction fraction (MRF) is also responsible for compiling and reporting the total taxable values of the inter-county municipalities to Treasury on the PPSR-IC.

*****All reported taxable values must include any Renaissance Zone or MCL 211.7d (i.e. housing for elderly or disabled families) personal property taxable values for the requested classifications.

*****Township taxable values must include the taxable values of all villages within the township.

INSTRUCTIONS FOR BALANCE SUMMARY WORKSHEET

The county totals should equal the subtotals for: townships and cities, school districts, and ISDs.

1) Review the 2022 Personal Property Taxable Values

If the 2022 county totals are in balance and equal each 2022 subtotal, then a text box in the top left-hand corner will read, **2022 IS IN BALANCE**. Once the PPSR is in balance it may be certified and submitted.

If the 2022 county totals do not equal each 2022 subtotal, then a text box in the top left-hand corner will read, **2022 IS NOT IN BALANCE.** *Do not certify or submit the PPSR* until the error(s) is corrected in the relevant worksheet(s) and the PPSR is in balance.

2) Review the 2013, 2014, and 2015 Personal Property Taxable Values

If the 2013, 2014, or 2015 county totals do not equal each 2013, 2014, or 2015 subtotal, then a text box in the top left-hand corner will read, 2013 IS NOT IN BALANCE, 2014 IS NOT IN BALANCE, and/or 2015 IS NOT IN BALANCE. *Make no changes* unless the imbalance has been caused by a modification of taxable values due to a municipality boundary change or a property reclassification. The LCSA Act, as amended, does not allow for corrections of the 2013, 2014, and/or 2015 personal property taxable values.

INSTRUCTIONS FOR PP VALUE CHANGE SUMMARY WORKSHEET

1) After the county equalization director has certified the 2022 PPSR in the section below, the *PP Value Change Summary* worksheet will be populated with the 2022 personal property value change for each municipality in the county.

2) The county equalization director should provide a copy of the *PP Value Change Summary* worksheet to each municipality in the county to assist them in calculating debt millages and budgeting for the 2022 PPT reimbursements.

CERTIFICATION

In accordance with 2014 Public Act 86, the County Equalization Director hereby certifies to Treasury that the reported taxable values are the taxable values as reported by assessors to equalization.

Denise M Babbitt	989-790-5260	5/17/2022
County Equalization Director's Name	Phone Number	Date

Note: Treasury will not accept an uncertified Personal Property Summary Report.

SUBMISSIONS

Please submit this Excel file by **May 31, 2022** to:

Treasury at TreasORTAPPT@michigan.gov
AND
County(ies) indicated as being responsible for submitting a PPSR-IC to Treasury.

Thank you in advance for your cooperation.

QUESTIONS

If you have any questions about this workbook, contact Treasury's Revenue Sharing and Grants Division at:

517-335-7484 or TreasORTAPPT@michigan.gov.

Taxable Value Balance Summary

SAGINAW COUNTY

Below is a summation of the taxable values entered on the subsequent worksheets. The county totals should equal the subtotals for: townships and cities, school districts, and intermediate school districts. The text boxes in the top left-hand corner will indicate if the subtotals balance back to the county. If a 2022 subtotal does not balance back to the county, correct the error in the relevant worksheet. If a 2013, 2014, or 2015 subtotal does not balance back to the county, make no changes unless the imbalance has been caused by a modification of taxable values due to a municipality boundary change or a property reclassification. The LCSA Act, as amended, does not allow for corrections of the 2013, 2014, and/or 2015 taxable values.
